**TO WHOM IT MAY CONCERN**

Dear Sir/Madam

**re : Reference Letter for MS End User Application**

I, Theodore Ernest Thelander with I.D. No. 481204 5039 082, being the Senior Training Officer, Skills Development Facilitator and Company Representative of Nautic Africa, hereby confirm that since Year 2014 MasterGradeIT has been our training Service Provider of choice for training in End User Computing - MS Office Application.

Learners returning from computer training courses constantly give us amazing feedback about the excellent training received from this Training Provider, because of the very high standard of skilled Facilitators employed.

We are frequently overwhelmed with requests from participants, who attended previous MasterGradeIT courses, to be included in the next level up courses. These positive comments we receive are the norm.

Should I be approached by anyone who requires MS End User training, I would strongly recommend MasterGradeIT for their superb training ability and offer the Learners their undivided attention when needed.

Yours sincerely,

Theodore Thelander  
Senior Training Officer  
and  
Skills Development Facilitator
